RESOLUTION NO. 10-13
A RESOLUTION ENDORSING AN AMENDMENT TO THE SOUTH BEND
AND ELKHART/GOSHEN FY2013-2016
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the “MAP-21”, Moving Ahead for Progress in the 21st Century Act: Designating joint Federal Highway Administration/Federal Transit Administration rules and regulations, under Section 134, Title 23 of the US Code, the act requires the annual preparation of a Transportation Improvement Program by the designated Metropolitan Planning Organization(s) as a part of the transportation planning process in urbanized areas of 50,000 or more population; and

WHEREAS, the Michiana Area Council of Governments (MACOG) being the duly designated Metropolitan Planning Organization for the South Bend and Elkhart/Goshen Urbanized Areas, in cooperation with local governmental units and implementing agencies within the urbanized areas, has prepared a FY2013-2016 Transportation Improvement Program (TIP), which consists of improvements recommended in the MACOG Region.

WHEREAS, the FY2013-2016 Transportation Improvement Program (TIP) is consistent with the 2035 Transportation Plan (TP) and its corresponding conformity determination, which uses the MACOG travel demand model, developed with the most recently available socio-economic and other input data to estimate mobile source emissions for the conformity analyses.

WHEREAS, the MACOG Policy Board from time to time receives and amends/modifies its Transportation Improvement Programs.

WHEREAS, the MPO consulted with the Interagency Consultation Group and the agencies did not take exception to the MPO finding that (1) each project in the TIP as amended is consistent with the design concept and scope of the project that was modeled in the most recent conformity demonstration, (2) the open-to-traffic date of each project in the TIP as amended is consistent with the open-to-traffic dates in the most recent conformity demonstration, (3) that the previous emissions analysis meets the requirements of 40 CFR 93.118 & 119 and demonstrates conformity of the TIP as amended.

WHEREAS, upon review of the amendments below, the Michiana Area Council of Governments herewithin finds that they are consistent with the 2035 Transportation Plan and its corresponding Conformity Analysis.

BE IT THEREFORE RESOLVED, that the South Bend and Elkhart/Goshen FY2013-2016 will be amended to include the following:
