WHEREAS, the Northern Indiana Commuter Transportation District (NICTD) has available to it certain local funds, which for proper consideration, may be transferred to MACOG for its use in providing support for the Elkhart Goshen transit services. As the designated recipient, MACOG will agree to transfer Elkhart-Goshen apportioned Section 5307 funds in cooperation with the Indiana Department of Transportation Transit representative of the Governor of Indiana under the provisions of Federal Transit Administration Circular 9030.1C, Chapter IV, Section 6; and
